

Tax Code 1904

To ensure the City of Forest Hills receives its portion of your Hall Income Tax payments, please use code #1904, as indicated at right. The Hall Income Tax is the primary reason the City of Forest Hills is able to operate without a property tax.

Forest Hills audits addresses on the tax list attempting to claim every address within the city limits. However; the list for the surrounding area has over 20,000 addresses, making it difficult to identify 100% of our payments. Payments are credited to the wrong city every year; however, by using the assigned code number 1904, the City can prevent most of these errors.
