All applications require submittal of plans as detailed on the attached building permit checklist. They include, but are not limited to, site plan (with easement and structures), floor plan, exterior elevations, landscape design, ratio chart, and others.

The undersigned understands that the issuance of any building permit does not guarantee compliance with all City Codes. The undersigned acknowledges that 1) minimum are setbacks as stated 2) noncompliance with minimum setbacks will result in a requirement that a building be relocated or removed; 3) that I am required to contact the building inspector **before foundations are poured**; 4) this building permit is non-transferable to another lot or person; 5) this permit is only good for the plans as submitted. The undersigned is responsible for complying with all provisions of the City of Forest Hills Municipal Code, including the Municipal Code including the Zoning Code and Building Code.

I have read the above and agree to abide by the terms thereof.
